

ILTE STUDY NEWSLETTER – August 2007

Dear colleagues,

I am happy to inform you that we reached 350 patients enrolled in the study (70% of the planned target).

I also want to announce that, following completion of patient registrations at the end of September, the first ILTE scientific meeting will take place in Atlanta, on Saturday Dec. 8, at 7.30 pm.

Prof. Maria Grazia Valsecchi will present the first analysis emanating from the data that you all contributed to collect.

The meeting will last 30-60' and will be followed by a dinner.

Please pencil down this date on your agenda.

I look forward to meeting all of you in Atlanta.

Carlo Gambacorti MD
