

Dear ILTE investigators,

on behalf of Prof. Carlo Gambacorti-Passerini, you are invited to attend the next investigator meeting during the ASH conference in New Orleans, LA on **Friday Dec 4th, 6:00 pm.**

There will be important topics to be discussed such as:

- results of the card-PCR assessment of PCR negative samples you supplied,
- decision on the cytogenetics analysis to be performed after the fifth year of treatment, given the results of our survey of abnormalities in Ph negative cells,
- publication strategy,
- funding strategy

Best Regards

Miriam
